Reference: April Quarterly Report (2/19/98-3/31/98)

Dear Mr. Bozeman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Expenditures to USAA Federal Savings Bank have been disclosed. When itemizing payments made to credit card companies you must list the name and address of the original vendor from which you purchased an item or a service. You should also show the date, the amount, and the purpose of the payment if you have paid in excess of \$200 this current year to the vendor. (11 CFR §104.9)

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))
